THE TOOLS TO FIND YOUR BEST SELF

Employee Assistance Program

As an employee, a big job is asked of you, and chances are, the daily demands of life don’t end when you leave work. That’s why we have partnered with New Directions to offer an Employee Assistance Program (EAP) to help you best manage your life. The free, confidential benefit provides you with the tools, whether online or in person, to tackle life’s challenges.

EAP Can Give You the Support You Need

Hard-working employees just like you use the program’s experts and resources every day to help with:

- Relationship challenges
- Life-changing events
- Legal or financial issues
- Excessive worry or stress
- Substance dependence
- Workplace challenges

Treatments and Resources to find your best self

The expansive list of resources, free to you and your loved ones, can be used at your style and pace:

- **Dedicated helpline:** Around the clock support from professionals
- **Assessments and referrals:** In-person or telephone assessments to help match you with the resources you need to improve your health
- **Short-term counseling:** Up to **6 in-person** and/or telephone counseling sessions from certified, licensed and passionate professionals
- **Relationship issue guidance:** Around-the-clock help to find resources to deal with parenting, personal or work-related issues.
- **Legal and financial services:** Access to a network of attorneys and financial counselors prepared to provide legal expertise and advice on many issues. Download customizable legal documents for things like wills, traffic violations, asset sales and more.
- **Health Resource library:** Comprehensive collection of searchable articles, videos, self-assessments, calculators and planners for information on any health issue or topic

And there’s more. For nearly any piece of your life that feels like it needs some improvement, there is support for you.
