THANKS TO THESE COMMUNITY PARTNERS!

SEWARD COUNTY COMMUNITY COLLEGE presents...

Kids' College 2023

Welcome to Kids' College

Welcome to a world of imagination at Seward County Community College! We offer one week of quality enrichment opportunities, as well as academically stimulating courses at Kids' College. Kids' College runs from July 17 – 20, with 3 sessions: 8:00am - 9:15am, 9:30am - 10:45am, and 11:00am - 12:15pm.

Kids' College is for students entering 1st through 8th grade. Check out all the new classes we have to offer. We know you will find something of interest for your child.

The instructors and staff are looking forward to being a part of your child's summer experiences. Remember to register early since classes are limited and fill quickly.

We want your child to have fun and stay safe. Because college is an adult environment, our trained staff will supervise your child at all times. Please help your child enjoy our program by following these guidelines:

Register Early

Kids' College registration will be conducted in the Business & Industry office, located in the Industrial Technical Campus, T Building, 2215 N. Kansas. Please call the office 620.417.1170 between the hours of 7:45am – 4:45pm Monday – Friday. **Please notice summer hours starting Monday, May 15, 7:30am – 5:30pm Monday - Thursday.** Classes are offered on a first-registered, first-paid basis. ***All fees must be paid when registering.*** Fees are \$25 per class.

Drop off and pick up point

All children will gather outside the Student Union 10 minutes before every class. Please do not drop off your child before 7:45 am. SCCC will not have adult supervision until then. Instructors will meet with the students, take them to class, and return with them after class ends. B&I staff will wait with your children as they are picked up

from inside the Student Union. Children will not be allowed to walk to the parking lot without supervision. If you will be late in picking up your child, please call the B&I office at (620) 417-1171 to inform us of your arrival time. If you arrive late, you will find your child in the Student Union. Safety is important to us, and we cannot assume responsibility for your child beyond scheduled class and supervised times.

Safety/Security

Your child's safety is of the utmost importance to us. That is why we never let your child out of the sight of our teachers or staff. We ask that you never leave your child unattended while at SCCC. Please do not ask your child to go to the library or another area to meet you.

Attendance

Students are expected to attend each class in

which they are enrolled. They are to be in those classes except during breaks. Parents should notify us in advance if a child will be absent. Class rolls will be taken daily, and parents will be contacted if there is an unaccounted absence.

Student conduct

Our policy requires that disruptive students leave the class. If necessary, we will call a parent to pick up the child immediately. If we ask you not to bring the child back to the class because of disruptive or threatening behavior, you will not receive a refund for the class.

Age-Appropriate

As you look through the schedule, you will see age-appropriate categories. Students must choose classes that include the grade level the child will be entering in the fall of 2023. The courses are designed to be age-specific and coincide with the socialization aspect of the program. Our instructors and administrators request that parents follow the age-appropriate guidelines listed for each class. We reserve the right to reassign your child to a grade appropriate class. Your cooperation is appreciated.

Pizza and Swim Party

On the last day, Kids' College will host a pizza and swim party ONLY for students enrolled in the Kids' College program for that week. The pizza party will begin immediately at 12:15 pm. The swim party follows and will end at 2:00 pm. Please send your child with a towel and swimsuit on Thursday, July 20. Swimsuits must be worn in the pool – no street clothes.

Refunds

A full refund, minus a \$5 processing fee, will be made for registrations canceled on or before Monday, July 10. Refunds cannot be made for cancellations received after July 10.

The College expects all classes to be presented as scheduled. However, a class could be canceled due to low enrollment. A decision about cancellation is made the Thursday before the start date of the class. In the event that a class is canceled, every effort will be made to either place your child in another program of his/her choice or provide a full refund.

Class sizes are limited. Register early for best course selection!

**PLEASE NOTE:
The SCCC staff leaves
at 12:30pm so
please pick up your
child at 12:15pm.**

Art, Crafts, and Hobbies

Clay Play

Come join us as we create works of art in polymer clay. We will make jewelry pieces, keychains, and other projects that you can take home and enjoy or give as gifts.

1st – 8th grade | Dustin Farmer

Getting to Know the World's Greatest Artists

Over the course of the week, you will learn about some of the world's greatest artists of history: Andy Warhol, Paul Klee, Georgia O'Keeffe, and Grandma Moses. After learning about each artist, you will recreate a work of art by the artist in a variety of mediums.

3rd – 6th grade | Christine Ramirez

Watercolor Basics

Over the course of the week, you will learn the basics of watercolor, how to properly use your palette, and create multiple watercolor scenes. You will also learn some tips and techniques to create different looks to give you the confidence to continue painting on your own.

4th – 8th grade | Christine Ramirez

Sewing a Patchwork Pillowcase

Do you like to sew, or would you like to learn how? A pillowcase is a great place to start! Learn how to cut out fabric pieces and sew them together to create a colorful patchwork pillowcase in this class. No experience needed.

4th – 8th grade | Michelle Martin

Woodn' Earring Making with Leslie

Create three different unique sets of wooden earrings.

4th – 8th grade | Leslie Roa

Summertime Tea Party

It's Tea Time! In this fun class you will learn about etiquette, decorate a tea cup and saucer, make summertime treats. On the last day it's Tea Party time, get to eat the treats you made and drink tea from a fun cup that you decorated.

4th – 6th grade | Amy Thompson

Blacksmithing for Beginners

Want to make something epic from glowing metal? You may be interested in a beginning blacksmithing class. This class is designed to teach basic blacksmithing techniques and safety practices to young learners interested in the art of metalworking.

6th – 8th grade | James Tower

Culinary

Cooking for All!

You will learn how to make no bake cookies, your favorite after school snacks, and a few simple meals.

4th – 8th grade | Rachel Froese

Savannah's Cooking Class

Have a fun time making different snacks and treats for after school. That way you can make your own after school snacks.

1st – 4th grade | Savannah Montemayor

Job Skills

Who Done It?

Channel your inner Sherlock Holmes as you learn the process of solving a crime hands-on! This class will go over the principles of a crime scene investigation, collecting and processing evidence, interviewing suspects and witnesses to solve a crime!

3rd – 8th grade | Liberal Police Department

Ag Academy: Livestock

Join us for a fantastic week working with the SCCC Saints Show Stock! Students will learn everything involved with keeping show stock from hair care and clipping /fitting to showmanship and nutrition. Students will practice on the SCCC Saints Show Goats but will also be taught how to apply to other species.

4th – 8th grade | Rachael Sirek-Milashoski & Will Milashoski

Ag Academy: Greenhouses

Join us for a fantastic week playing in the SCCC Greenhouses! Students will learn everything that goes into maintaining a fully functioning greenhouse including planting, propagation, hydroponics, and floral arranging.

4th – 8th grade | Rachael Sirek-Milashoski & Will Milashoski

Fire Academy

Think you have what it takes to be a firefighter? Find out in our fire academy. You will learn the skills it takes to become a firefighter. You will learn how to tie knots, how to control a hose stream, to do search and rescue with zero visibility and at the end of the class you will take a physical exam similar to the one all firefighters must pass. Come join and let's see what you got.

4th – 8th grade | Liberal Fire Department

Positive Vibes & Music

Piano for Beginners

Discover the joy of playing the piano! Learn the fundamentals and play simple, and fun melodies.

1st – 6th grade | Kidzbe

Guitar for Beginners

Get ready to Rock! Learn the fundamentals of guitar playing by famous songs. [Guitar's will be provided.](#)

1st – 6th grade | Kidzbe

Kids Talk

Learn how to handle emotions, what a good friend is, building self-esteem, and communication and social skills.

1st – 6th grade | Theresa Carrillo

Pre-teen Talk

Learn how to handle emotions, what a good friend is, building self-esteem, and communication and social skills.

7th – 8th grade | Theresa Carrillo

Recreation

Nothing But Net

Dribble, shoot, pass and score! Have you ever dreamed of making that game-winning shot? Want to feel the ball leave your hands and hear the swish of the net as it goes through? Join us as we practice and improve the key concepts and skills of basketball!

1st – 3rd grade | Amanda Collins

Bowling Basics @ Billy's Ayr Lanes

Bowling is always more fun when you knock down more pins! Learn the fundamentals, including proper approach and release, all while having a great time. This class is for beginners and advanced bowlers alike. [Students must bring socks.](#)

1st – 8th grade | Andrew Potter

Archery
